Death Claims Man Who Jailed Fatima Children in 1917

LISBON, Portugal, Sept. 3 (NCD)—Death has claimed the man who jailed and threatened the three children to whom Our Lady of Fatima appeared in 1917.

It has just been announced that Arturo de Oliveira dos Santos, former administrator of the district of Vila Nova do Ourem, died here at the age of 71.

Santos had always maintained close silence on the events at Fatima. It is not known whether he died reconciled with the Church.

Lucia, now a Carmelite nun, is the only survivor of the three children. Francisco died on April 4, 1919, and Jacinta on February 23, 1920.

In a brief summary of the Fatima story written for the Catholic Encyclopedia, Father Cyril B. Mardellela, S.J., of England, described the administrator of Ourem as a Freemason. The following is the account he gives of the trial of Lucia and her two companions in an attempt to make them divulge the secret: "It is impossible to impart to them and to our Lady the shock. The young Freemason advised the Holy Family Church, Rev. Father E. Cooper, officiating.
