NEW ADVERTISEMENTS.

A WORK ON SQUASH RAISING.

How to Select the Location—Prepare the Ground—
What Manures to use, and how to apply them—
How to plant, cultivate, gather, store, keep and market the crop. Illustrated by several woodcuts, including a section of a Squash House. The work will be found as thorough as my treatise on Onion Raising. Sent to any address for 35 cents. If any person, on reading it, does not find his money's worth, he may return the book, and I will refund the money.
